

LYLES COLLEGE OF ENGINEERING

CIVIL & GEOTECHNICAL ENGINEERING SEMINAR

November 4, 2011

Drilling and Sampling Demonstrations

See how professional geotechnical engineers utilize drilling and CPT equipment to gather samples and data for analyses.

When: 9:00 A.M. TO 12:00 P.M.
Where: Gravel Lot on Chestnut Avenue

Real-world Case Studies

Hear from licensed professionals how both civil and geotechnical engineering is used on real projects.

When: 12:30 P.M. TO 2:00 P.M.
Where: Engineering East Bldg, Rm 182

Free Lunch will be provided

For more information or to RSVP for this free event, please contact:

Dr. Ming Xiao, PhD, P.E.
Assistant Professor of Civil Engineering
